PARENTAL CONSENT LETTER FOR UNDERAGE VOLUNTEER

PARTICIPATION

(Without Guardian Accompaniment)

Dear Parent/Guardian,

PERMISSION FOR UNDERAGE PARTICIPATION IN SEA TURTLE CONSERVATION PROGRAM AT CHAGAR HUTANG TURTLE SANCTUARY, PULAU REDANG

Thank you for your interest in the Sea Turtle Conservation Program organized by SEATRU (Sea Turtle Research Unit), Universiti Malaysia Terengganu. This program is hosted at **Chagar Hutang Turtle Sanctuary, Pulau Redang**, and has been a cornerstone in marine conservation efforts since 1998.

The program offers a rare opportunity for volunteers to contribute to meaningful conservation work, including monitoring, tagging, in-situ incubation, and awareness education involving endangered green and hawksbill turtles.

As your child, _____ **[FULL NAME]**, is **below 18 years of age** and will be joining the program **without a parent or guardian**, we require your **written consent** for their participation and stay at the research station. This is to ensure that both parent/guardian and the participant acknowledge the terms, responsibilities, and safety conditions of the program.

We would like to reassure you that SEATRU maintains strict supervision and safety protocols at all times. However, due to the nature of the remote research station, participants are expected to demonstrate maturity, discipline, and readiness for basic field conditions.

By signing this consent form, you:

1. **Authorize** your child to participate in the Sea Turtle Conservation Program from _____ **[Insert Date]** to _____ **[Insert Date]**.
2. **Acknowledge** that your child will be unaccompanied by a legal guardian and that you take full responsibility for authorizing their participation.
3. **Understand** that SEATRU and Universiti Malaysia Terengganu will not be held liable for any injury, loss, or incident.
4. **Confirm** that your child is physically fit and mentally prepared to participate in a basic field research program.
